USAC Partnership Programs Abroad
STEM Majors (Engineering)

These are a sampling of engineering-focused STEM programs available to students on USAC Partnership programs. Students are advised to meet with a USAC program advisor to discuss the specific courses available in the term they wish to study abroad. UNR academic advisor approval is required to apply credit from Partnership programs toward UNR degree requirements.

Geelong and Melbourne, Australia: Deakin University
- Architecture
- Civil Engineering
- Electrical and Electronics Engineering
- Environmental Engineering
- Mechatronics Engineering
- Mechanical Engineering
- Software Engineering

Gold Coast, Australia: Griffith University
- Architecture
- Aviation
- Civil Engineering
- Electrical and Electronic Engineering
- Environmental Engineering
- Industrial Design
- Mechanical Engineering
- Software Engineering
- Urban and Environmental Planning

Brighton, England: University of Brighton
- Aeronautical Engineering
- Architectural Technology
- Automotive Engineering
- Building Surveying
- Civil Engineering
- Civil Engineering with Construction Management
- Civil Engineering with Environmental Engineering
- Electrical and Electronic Engineering
- Electronic and Computer Engineering
- Mechanical Engineering
- Software Engineering

Bristol, England: University of Bristol
- Aerospace Engineering
- Civil Engineering
- Electrical and Electronic Engineering
- Mechanical Engineering

London, England: London Metropolitan University
- Architecture
- Computer System Engineering and Robotics
- Electronics and Internet of Things

Reading, England: University of Reading
- Architectural Engineering
- Architecture
- Engineering

Cork, Ireland: University College, Cork
- Architecture
- Civil, Structural, and Environmental Engineering
- Electrical and Electronic Engineering
- Energy Engineering
- Process and Chemical Engineering
Maastricht, Netherlands: Maastricht University
  • Biomedical Engineering

The Hague, Netherlands: The Hague University
  • Industrial Design Engineering

Stellenbosch, South Africa: Stellenbosch University
  • Civil Engineering
  • Chemical Engineering
  • Electrical and Electronic Engineering
  • Industrial Engineering
  • Mechanical Engineering
  • Mechatronic Engineering
  • Structural Engineering
  • Transport Engineering
  • Process Engineering
