USAC Partnership Programs Abroad
STEM Majors (Sciences)

These are a sampling of science-focused STEM programs available to students on USAC Partnership programs. Students are advised to meet with a USAC program advisor to discuss the specific courses available in the term they wish to study abroad. UNR academic advisor approval is required to apply credit from Partnership programs toward UNR degree requirements.

Geelong and Melbourne, Australia: Deakin University
- Biological Science
- Biomedical Science
- Biotechnology and Bioinformatics
- Chemistry and Pharmaceutical Science
- Environmental Science
- Forensic Science
- Marine
- Wildlife and Conservation Biology
- Zoology and Animal Science

Gold Coast, Australia: Griffith University
- Biological Sciences
- Biomedical Science, Medical Science, and Medical Diagnostics
- Chemical Sciences
- Ecology and Biodiversity
- Environmental Science
- Forensic Science
- Marine Biology
- Physics and Mathematics
- Soil, Water, and Energy

Brighton, England: University of Brighton
- Biological Sciences
- Environmental Sciences
- Pharmaceutical and Chemical Sciences
- Ecology and Conservation

Bristol, England: University of Bristol
- Biology
- Biochemistry
- Biomedical Sciences
- Cellular and Molecular Medicine
- Chemical Physics
- Chemistry
- Environmental Geoscience
- Geology
- Geophysics
- Medical Microbiology
- Physiological Science
- Plant Science
- Pharmacology
- Physics
- Physics with Astrophysics
- Neuroscience
- Paleontology
- Theoretical Physics
- Veterinary Science
- Virology and Immunology
- Zoology

London, England: London Metropolitan University
- Biochemistry
- Biological Science
- Biology of Infectious Disease
- Biomedical Science
- Chemistry
- Dietetics and Nutrition
- Electronics and Internet of Things
- Forensic Science
- Herbal Medicinal Science
- Human Nutrition
- Medical Bioscience
- Medicinal Chemistry and Drug Discovery
- Natural Sciences (Biology)
• Natural Sciences (Chemistry)
• Pharmaceutical Science
• Pharmacology
• Sport and Exercise Science
• Toxicology

Reading, England: University of Reading
• Animal Science
• Biological Sciences
• Biochemistry
• Biomedical Sciences
• Chemistry
• Ecology and Wildlife Conservation
• Environmental Science
• Food Science
• Meteorology and Climate
• Microbiology
• Nutrition and Food Science
• Pharmaceutical Chemistry
• Physics of the Environment
• Zoology

Cork, Ireland: University College, Cork
• Applied Plant Biology
• Astrophysics
• Biochemistry
• Biological, Earth, and Environmental Sciences
• Biomedical Science
• Chemical Physics
• Chemical Sciences
• Chemistry
• Chemistry of Pharmaceutical Compounds
• Chemistry with Forensic Science
• Earth Science
• Ecology and Environmental Biology
• Environmental Analytical Science
• Environmental Science
• Food Science
• Genetics
• Geography
• Geology
• Industrial Physics
• International Field Geosciences
• Mathematics and Physics
• Microbiology
• Neuroscience
• Nutritional Sciences

• Physics and Astrophysics
• Physiology
• Science Education
• Zoology

Haifa, Israel: University of Haifa
• Biology
• Marine Biology
• Marine Geosciences
• Marine Technologies
• Medical Sciences

Maastricht, Netherlands: Maastricht University
• Biology
• Chemistry
• Mental Health Sciences
• Physics
• Neuroscience

Auckland, Palmerston North, Wellington, New Zealand: Massey University
• Chemistry
• Earth Science
• Ecology
• Ecology and Sustainability
• Environmental Science
• Exercise and Sport Science
• Human Nutrition
• Integrative Biology
• Marine Biology
• Microbiology
• Molecular and Cellular Biology
• Molecular Genetics and Biochemistry
• Physics
• Physiology
• Plant Science
• Zoology
Stirling, Scotland: University of Stirling
- Animal Biology
- Applied Biological Sciences
- Biology
- Cell Biology
- Ecology
- Environmental Geography and Outdoor Education
- Environmental Science
- Environmental Science and Outdoor Education
- Marine Biology

St. Andrews Scotland: University of St. Andrews
- Astrophysics
- Biochemistry
- Biology
- Biomolecular Science
- Cell Biology
- Chemical Sciences
- Chemistry
- Ecology and Conservation
- Earth and Environmental Science
- Evolutionary Biology
- Geology
- Marine Biology
- Materials Chemistry
- Medicinal Chemistry
- Molecular Biology
- Neuroscience
- Physics and Astronomy
- Theoretical Physics
- Zoology

Stellenbosch, South Africa: Stellenbosch University
- Biochemistry
- Biodiversity and Ecology
- Biomedical Sciences
- Botany and Zoology
- Chemistry and Polymer Science
- Earth Sciences
- Electrical Energy
- Food Science
- Genetics
- Geographical Analysis
- Geography and Environmental Studies
- Geospatial Studies and Information Systems
