USAC Partnership Programs Abroad
STEM Majors (Technology)

These are a sampling of technology-focused STEM programs available to students on USAC Partnership programs. Students are advised to meet with a USAC program advisor to discuss the specific courses available in the term they wish to study abroad. UNR academic advisor approval is required to apply credit from Partnership programs toward UNR degree requirements.

Geelong and Melbourne, Australia: Deakin University
- Artificial Intelligence
- Cloud Computing and Networking
- Computer Science
- Creative Technologies
- Cybersecurity
- Data Science
- Games and Application Development
- Information Systems
- Information Technology
- IT Services and Strategy
- Software Engineering
- Virtual Reality

Gold Coast, Australia: Griffith University
- Business Information Systems and IT
- Computer Science
- Cybersecurity
- Data Science
- Multimedia Design and Interactive Entertainment
- Software Engineering
- Biotechnology

Brighton, England: University of Brighton
- Architectural Technology
- Building Surveying
- Business Computing
- Business Computing with Cybersecurity
- Computer Science

Bristol, England: University of Bristol
- Computer Science
- Computer Science and Electronics
- Mathematics and Computer Science

London, England: London Metropolitan University
- Computer Science
- Computer Systems Engineering and Robotics
- Electronics and Internet of Things
- Games Animation, Modeling and Effects
- Games Programming
- Software Engineering

Reading, England: University of Reading
- Computer Science
- Food Technology Bioprocessing
- Mathematics with Computer Science
Cork, Ireland: University College, Cork
- Biotechnology
- Computer Science
- Data Science and Analytics

Haifa, Israel: University of Haifa
- Marine Technologies

Seoul, Korea: Yonsei University
- Biotechnology
- Computer Science and Industrial Engineering
- Information Storage Engineering
- Integrated Technology
- Nano Medical

Maastricht, Netherlands: Maastricht University
- Data Science and Knowledge Engineering
- Digital Technology and Care

The Hague, Netherlands: The Hague University
- Process and Food Technology
- User Experience Design

Auckland, Palmerston North, Wellington, New Zealand: Massey University
- Computer Science
- Data Science
- Information Systems
- Information Technology
- Software Engineering

Stirling, Scotland: University of Stirling
- Business Computing
- Computing Science
- Software Engineering

St. Andrews Scotland: University of St. Andrews
- Computer Science

Stellenbosch, South Africa: Stellenbosch University
- Information Science

Växjö/Kalmar, Sweden: Linnaeus University
- Network Security
- Software Technology
