

World Languages and Literatures – Specialty

The following USAC Specialty programs offer courses targeted to the academic needs and interests of world languages majors and minors. USAC offers sequential language courses grouped into language tracks in many locations, which provide language learners a structured, intensive learning experience. This model allows students to complete one to two years of language training in one semester. All locations require students to complete 1-2 language courses unless otherwise noted. Please visit USAC.edu for course descriptions and terms offered; and speak with your academic advisor to see how you can best fit study abroad into your University of Nevada, Reno degree program. Syllabi are available upon request at syllabus@usac.edu
