

Natural Resources/Environmental Science/Agricultural Science

These are a sampling of natural resource, environmental science, and agricultural science programs available to students on USAC Partnership programs. Students are advised to meet with a USAC program advisor to discuss the specific courses available in the term they wish to study abroad. UNR academic advisor approval is required to apply credit from Partnership program toward UNR degree requirements.

Geelong and Melbourne, Australia: Deakin University

- Environmental Science
- Sustainability and Environmental Education
- Wildlife Conservation

Gold Coast, Australia: Griffith University

- Ecology and Biodiversity
- Economics for Water Resource Management
- Environmental Anthropology
- Environmental Science
- Environmental Sustainability
- Soil, Water, and Energy
- Sustainability and Systems Thinking

Brighton, England: University of Brighton

- Ecology and Conservation
- Environmental Science

Bristol, England: University of Bristol

- Environmental Science
- Human Geography
- Plant Science
- Soil Science

Reading, England: University of Reading

- Archaeology
- Agriculture
- Animal Science
- Climate and Environmental Change
- Ecology and Wildlife Conservation
- Environmental Science and Management
- Food Production
- Forest and Rangeland Management
- Horticulture
- Human Geography

- Plant Science
- Soil Science
- Veterinary Science

Cork, Ireland: University College, Cork

- Animal Science
- Archaeology
- Earth Science
- Ecology
- Environmental Science and Environmental Studies
- Human Geography
- Plant Science
- Zoology

Galway, Ireland: National University of Ireland, Galway

- Environmental Science

Gwangju, Korea: Chonnam National University

- Agriculture & Life Sciences

Auckland, Palmerston North, Wellington, New Zealand: Massey University

- Agriculture
- Animal Science
- Animal Genetics and Breeding
- Animal Nutrition and Growth
- Animal Welfare
- Ecology and Sustainability
- Environmental Planning
- Environmental Studies
- Farm Management
- Equine Science
- Horticultural Science
- Plant Science
- Resource and Environmental Planning

Natural Resources/Environmental Science/Agricultural Science

- Rural Valuation

St. Andrews, Scotland: University of St. Andrews

- Animal Behavior
- Aquaculture
- Climate and Environmental Change
- Environmental Studies
- Plant Science
- Sustainable Development

Stirling, Scotland: University of Stirling

- Animal Science
- Aquaculture
- Conservation Biology and Management
- Environmental Studies
- Plant Science

Stellenbosch, South Africa: Stellenbosch University

- Agronomy
- Animal Production Systems
- Animal Sciences
- Conservation Ecology
- Conservation Ecology and Entomology
- Experimental Farm
- Food and Wine Production Systems
- Food Science
- Forestry and Natural Resource Sciences
- Forest and Wood Science
- Horticulture
- Plant and Soil Sciences
- Plant Pathology
- Soil Science
- Viticulture and Oenology
