

STEM(Engineering)

These are a sampling of engineering-focused STEM programs available to students on USAC Partnership programs. Students are advised to meet with a USAC program advisor to discuss the specific courses available in the term they wish to study abroad. UNR academic advisor approval is required to apply credit from Partnership programs toward UNR degree requirements.

Melbourne, Australia: Deakin University

- Architecture
- Civil Engineering
- Electrical and Electronics Engineering
- Environmental Health Engineering
- Mechanical Engineering
- Mechatronics Engineering
- Software Engineering

Gold Coast, Australia: Griffith University

- Architecture
- Aviation
- Civil Engineering
- Electrical and Electronic Engineering
- Engineering Mechanics
- Environmental Engineering
- Geotechnical Engineering
- Industrial Design
- Mechanical Engineering
- Project Management
- Software Engineering
- Urban and Environmental Planning

Brighton, England: University of Brighton

- Aeronautical Engineering
- Architectural Technology
- Automotive Engineering
- Building Surveying
- Civil Engineering
- Construction Management
- Environmental Engineering
- Electrical and Electronic Engineering
- Electronic and Computer Engineering
- Mechanical Engineering
- Software Engineering

Bristol, England: University of Bristol

- Aerospace Engineering
- Civil Engineering

- Computer Science
- Electrical and Electronic Engineering
- Engineering Mathematics
- Engineering Physics
- Mechanical Engineering

London, England: London Metropolitan University

- Architecture
- Computer System Engineering and Robotics
- Software Engineering
-

Reading, England: University of Reading

- Computer Science
- Construction
- Engineering

Cork, Ireland: University College, Cork

- Applied Mathematics
- Architecture
- Civil Engineering
- Computer Science
- Electrical and Electronic Engineering
- Energy Engineering
- Mechanical Engineering
- Process and Chemical Engineering
- Robotic Engineering
- Systems Engineering

Auckland, Palmerston North, Wellington, New Zealand: Massey University

- Chemical and Bioprocess Engineering
- Computer Engineering
- Software Engineering

Gwangju, Korea: Chonnam National University

- Biosystems Engineering
- Biotechnology and Bioengineering
- Civil Engineering
- Electrical Engineering

STEM(Engineering)

- Energy and Resources Engineering
- Environmental and Energy Engineering
- Future Energy Engineering Convergence
- Industrial Engineering
- Chemical Engineering
- Electronics and Computer Engineering
- Material Science and Engineering
- Mechanical Engineering
- Polymer Science and Engineering
- Robotics Engineering Convergence

Seoul, Korea: Kookmin University

- Civil & Environmental Engineering
- Metallurgical & Structural Materials
- Mechanical Engineering
- Electronics Convergence Engineering

Seoul, Korea: Yonsei University

- Chemical Engineering
- Electrical & Electronics Engineering
- Architectural Engineering
- Architectural Design
- Urban Planning & Engineering
- Civil & Environmental Engineering
- Mechanical Engineering
- Metallurgical Engineering
- Ceramic Engineering
- Materials Science & Engineering
- Information & Industrial Engineering
- Industrial Engineering
- Computer Science
- Integrated Information Technology
- System Semiconductor Engineering

St Andrews, Scotland: University of St Andrews

- Computer Science
- Software Engineering

Stirling, Scotland: University of Stirling

- Computer Science
- Software Engineering

Stellenbosch, South Africa: Stellenbosch University

- Agricultural Engineering
- Civil Engineering
- Chemical Engineering
- Electrical and Electronic Engineering
- Electronics and Information Engineering
- Industrial Engineering
- Mechanical Engineering
- Mechatronics and Automation Engineering
- Structural Engineering
- Transport Engineering
- Process Engineering
