

### STEM (Technology)

These are a sampling of technology-focused STEM programs available to students on USAC Partnership programs. Students are advised to meet with a USAC program advisor to discuss the specific courses available in the term they wish to study abroad. UNR academic advisor approval is required to apply credit from Partnership programs toward UNR degree requirements.

#### Geelong and Melbourne, Australia: Deakin University

- Artificial Intelligence
- Biotechnology and Bioinformatics
- Cloud Computing and Networking
- Creative Technologies
- Cybersecurity
- Data Science
- Information Technology
- Software Engineering
- Virtual Reality

#### Gold Coast, Australia: Griffith University

- Information Systems
- Computer Science
- Cyber Security
- Cyber Studies
- Applied Data Science
- Emerging Technologies
- Multimedia Design and Interactive Entertainment
- Software Engineering
- Biotechnology

#### Brighton, England: University of Brighton

- Architectural Technology
- Building Surveying
- Business Computing
- Business Computing with Cybersecurity
- Computer Science
- Computing with Web and Mobile
- Electronic and Computer Engineering
- Media and Environmental Communication
- Software Engineering

#### Bristol, England: University of Bristol

- Computer Science
- Computer Systems and Electronics
- Mathematics and Computer Science

#### London, England: London Metropolitan University

- Computer Science
- Game Design, Animation, Modeling, and Effects
- Games Programming
- Information Systems Engineering, Security, and Robotics
- Software Engineering

#### Reading, England: University of Reading

- Computer Science
- Food Technology Bioprocessing
- Mathematics with Computer Science

#### Cork, Ireland: University College, Cork

- Biotechnology
- Computer Science
- Food Science and Technology
- Management Information Systems
- Robotics

#### Gwangju, Korea: Chonnam National University

- AI Convergence
- Bioenergy Science & Technology
- Fermentation Technology

## STEM (Technology)

### Seoul, Korea: Yonsei University

- Biotechnology
- Computer Science
- Integrated Information Technology

### Auckland, Palmerston North, Wellington, New Zealand: Massey University

- Computer Science
- Electronics and Computer Engineering
- Information Systems
- Information Technology
- Software Engineering
- Mechatronics and Automation Engineering
- Process Engineering

### Stirling, Scotland: University of Stirling

- Business Computing
- Computing Science
- Software Engineering

### St. Andrews Scotland: University of St. Andrews

- Computer Science
- Software Engineering

### Stellenbosch, South Africa: Stellenbosch University

- Computer Science
- Bioinformatics and Computational Biology
- Information Science
- Molecular Biology and Biotechnology
- Laser Research
- Plant Biotechnology
- Statistical Physics
- Vitaculture and Oenology

### Växjö/Kalmar, Sweden: Linnaeus University

- Network Security
- Software Technology
